END- OF - FIRST SEMESTER EXAMINATIONS 2019/2020 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

Date: December, 2019 **Duration: 1:30 HRS**

INSTRUCTIONS: *Answer three (3) questions in all, one (1) question from each section*

SECTION A

1 (a)What is an academic library? **(1 mark)**

(b) Explain five (5) services of an academic library. **(10 marks)**

(c) Write down four (4) advantages of a traditional library? **(4marks)**

(d) State five (5) characteristics of a reference material? **(5 marks)**

2 (a) What is the primary function of a special library? **(2 marks)**

(b) Write down four (4) advantages of a digital library? **(4marks)**

(c) What are reference materials? **(2 marks)**

(d) Write short notes on three (3)types of reference materials. **(12 marks)**

SECTION B

3. (a)What is a library catalogue? **(2marks)**

(b) Mention two (2) legal exceptions under the copyright law? **(2marks)**

(c) What specific criterion should a work meet in order to be protected under copyright law of Ghana? **(6 marks)**

(d) Professor Samuel Dadzie and Dr. Nuhu Seleman wrote a book titled "Amefleflewo: The Concept of Slavery in Traditional Ewe Societies" edited by Mr. Yao Dzifa Acolatse, published by Oguaa Press, Cape Coast in 2019. Write an APA reference list for this book. **(10marks)**

4. (a) Mention three (3) 'Exclusive rights' under the copyright law. **(3 marks)**

   (b) A book tittle "Tomorrow's technology and you" written by George Beekman and Mary Quinn and published by Prentice Hall at New Jersey in the year 2018 and 8th edition. Write an APA reference list for this book. **(10 marks)**

   (c) What is an access point? **(3 marks)**

   (d) As a user of the Sam Jonah Library, state four (4) access points you would use to retrieve materials from the library. **(4marks)**

SECTION C

5. (a) Mention three (3) types of broadband Internet connections. **(3 marks)**

   (b) Briefly describe a browser and give two examples. **(5 marks)**

   (c) Explain with diagram the functionality of the three (3) basic Boolean operators (AND, OR, NOT) that can be used when searching for information on the Internet. **(12 marks)**

6. (a) State the basic steps to employ in effective retrieval of information from the Internet in the right order. **(6 marks)**

   (b) The Internet has a lot of doubtful information. Explain five (5) criterions you will use to evaluate the quality of the information you retrieve from the Internet. **(10 marks)**

   (c) Name four types of computer networks. **(4marks)**

MERRY CHRISTMAS!!!!!

INFORMATION LITERACY SKILLS UNIT

FIRST SEMESTER EXAMINATIONS 2018/2019 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

DATE: DECEMBER, 2018 DURATION: 1:30MINS

INSTRUCTIONS: Answer Three (3) Questions: One (1) from each section

SECTION A – LIBRARIES AND SOURCES OF INFORMATION

1. A. Explain four (4) library services and indicate two (2) types of libraries that undertake those services (12 MARKS)
   B. What is a Traditional Library? (2 MARKS)
   C. Write down four (4) advantages of a traditional library (4 MARKS
   D. List two (2) standards of information literacy as defined by the Association of College and Research Libraries (ACRL). (2 MARKS)

2. A. Define a reference material? (2 MARKS)
   B. Mention three (3) characteristics of a reference material. (3 MARKS)
   C. Write short notes on three (3) reference materials. (12 MARKS)
   D. List three (3) importance of information literacy to a university student. (3 MARKS)

SECTION B – ORGANIZATION OF KNOWLEDGE

3. A. What is a library catalogue? (2 MARKS)
   B. Mention any four (4) citation styles you have studied. (4 MARKS)
   C. The University Publishing Enterprise published a book titled "all shall pass in the year 2010 at Cape Coast. The book was written by Paul Graham and George Akuffo. With the use of APA citation style write a reference for this source. (8 MARKS)
   D. State three (3) reasons why library materials are organized? (6 MARKS)

THE GOVERNOR

4. A. Use the APA style to write a reference for the following information: A book titled "The Geographical History of Cape Coast" 5th edition, published by the Hampton Press in Cape Coast in the year 2010. The book was written by James Kweku Ansah and Caroline Efua Nunoo. (8 MARKS)

B. Mention four (4) forms of library catalogues (4 MARKS)

C. Mention any two (2) major classification schemes used in libraries. (2 MARKS)

D. State any two (2) legal exception of the Copyright Law. (6 MARKS)

SECTION C - INTERNET

5. A. Mention four (4) types of Broadband Internet connections. (4 MARKS)

B. Give two (2) reasons why the broadband connection is preferred to dial-up connections. (6 MARKS)

C. What is a browser? (2 MARKS)

D. List four (4) Internet search tools and give one example each. (8 MARKS)

6. A. In evaluating information from the internet, explain any four criteria that must be followed. (8 MARKS)

B. What is computer network? (2 MARKS)

C. Name four (3) types of computer networks. (4 MARKS)

D. List three (3) uses and three (3) misuses of the internet (6 MARKS)

SEPTEMBER 6, 2017 INFORMATION LITERACY SKILLS 12:00 PM - 2:00 PM

ANSWER THREE (3) QUESTIONS IN ALL, SECTION B AND ONE (1) FROM SECTION A & C

SECTION A

1. What is the importance of information literacy in contemporary society?

2. a. State the categories of libraries.
   b. Given the guidelines below, describe any two of the categories of libraries, you have stated (a):
      - Definition
      - Content
      - Clients / Users
      - Three advantages and disadvantages

SECTION B-COMPULSORY QUESTION

3. In not ~~use~~ than five sentences, describe the following terms
   i. Plagiarism
   ii. Exclusive rights

SECTION C

4. a. Enumerate the six steps or strategies for effective searching on the internet.
   b. Explain the term, web protocols and give two standardized examples of web protocols you studied in class.
   c. State four (4) types of broadband connections to the internet.

5. Advance three points each to support and reject the assertion that the internet has contributed, in most part, to the development of society.

END OF SEMESTER EXAMINATION

MARKING SCHEME

(Refer to the course book)

1. a) Definition of digital library **(2 MARKS)**

   b) Five (5) disadvantages for **(10 MARKS)**

   c) (a) Mention of service **(1 MARK) x 2**

   (b) Explanation of service **(3 MARKS) x 2**

   TOTAL (20 MARKS)

2. a) Definition of reference material **(2 MARKS)**

   b) Description of reference material

   (i) Definition **(1 MARK)**

   (ii) Types **(1 MARK)**

   (iii) Examples **(1 MARK)**

   (iv) Uses **(3 MARKS)**

   (6 X 3) (18 MARKS)

   TOTAL (20 MARKS)

SECTION B

3 a) i. Signal phrase e.g. Trump (2017) **(2 MARKS)**

   ii. Parentheses e.g. (Trump, 2017) **(2 MARKS)**

   b) i. The exclusive rights that the owner of a Copyright enjoys.

   (3 MARKS)

   ii. Mention of the three exclusive rights **(1 MARK EACH) X 3**

FIRST YEAR, END-OF-FIRST SEMESTER EXAMINATION, SEPTEMBER 2018

SEPTEMBER 7, 2018 INFORMATION LITERACY 2:00 PM – 4:00 PM

INSTRUCTIONS: Answer three questions. Answer One (1) question from each Section

SECTION A

1. (a) What is a digital Library? (2 marks)
   (b) Give **five** disadvantages of a digital library (10 marks)
   (c) Write short notes on two(2) services of the academic library (8 marks)

OR

2. (a) What is a reference material? (2 marks)
   (b) Identify **three** reference materials you have studied and describe them. (18 marks)

SECTION B

3. (a) What are the **two** major ways of citing sources within a text? Illustrate your answer with an example for each. (4 marks)
   (b) "All rights reserved" what rights are these? Itemize them. (6 marks)
   (c) For how long will the creator of a work enjoy "Exclusive rights" under the copyright law? (2 marks)
   (d) The University of Cape Coast Press published a book entitled "The Memoirs of Dr. James Kwegyir Aggrey" in the year 2006. The book was edited by Professor Kwesi Annan Prah and Dr. Esi Maanan Howard. Use the APA citation style to write a reference for this bibliographic information. (8 marks)

4. (a) Identify **five** specific examples of plagiarism. (10 marks)
   (b) Indicate how you will avoid plagiarism. (6 marks)
   (c) What are the legal exceptions to the copyright law? (4 marks)

Page 1 of 2

SECTION C

5. (a) Retrieving the right kind of information from the Internet requires effective searching skills. Discuss the steps you will adopt in performing an effective search. (12 marks)

(b) Briefly describe a search engine. (3 marks)

(c) When research is conducted on the Internet for academic or research purposes, it is important to evaluate the websites you visit. State three (3) criteria you will use to critically evaluate the information. (3 marks)

(d) What is a bandwidth? (2 marks)

OR

6. (a) The internet is populated with a lot of information. State and explain **three** criteria you will use to establish the genuineness or authenticity of the information taken from the Internet. (9 marks)

(b) Briefly describe a browser. (3 marks)

(c) Searching on the Internet can sometimes be an overwhelming task. State the basic steps one can employ to effectively retrieve information from the Internet in the right order. (6 marks)

(d) The popularity of the Internet has contributed to the development of society, outline **two** uses of the Internet. (2 marks)

2. a. A Directory is a list of addresses and contacts of individuals, organizations or institutions. It show location of businesses and organizations. **2marks**

2b. Types of Directories may include;

i. Telephone Directory
ii. Business Directory
iii. Directory of Directories
iv. Book trade Directory
v. Library Directory

Each point attracts 2 marks each **10marks**

2c. Uses of a Directory are

i. To check locations of individuals
ii. To check locations of institutions or organizations
iii. To verify the names of organizations
iv. To verify the spellings of an individual

Each point attracts 2 marks each **8 marks**

SECTION B

3. a. Library materials organized to enable;

i. A user finds a book of which the author, title or the subject is known
ii. A library to see what it has on an given author or subject
iii. A user to find a book according to its character or edition

Each point attracts 2 marks each **6 marks**

3b. Differences between the American Psychological Association and the Modern Language Association styles of Referencing.

i. APA is used by social sciences whiles MLA is used by humanities

ii. APA uses the ampersand sign (&) whiles MLA uses the "and"

iii. In APA the title is in italicized whiles MLA understand lines the title

Any two of the above attracts 4 marks each **8 marks**

INFORMATION LITERACY

SECTION A

ANSWER ONE (1) QUESTION FROM EACH SECTION

ANSWERS:

1a. A public is a library set by the government to offer information and other services to members within a community irrespective of their gender, race, educational background, occupation, etc. **2marks**

1b. Services provided by the Public Library:

i. Reference service
ii. Lending service
iii. Reprographic service
iv. Mobile extension service
v. Story telling room
vi. A place for community meetings

Any five of the above attracts 2 marks each **10 marks**

1c. Materials found in the public library may include;

i. Text books
ii. Story books
iii. Encyclopaedias
iv. Newspapers
v. Magazines
vi. Dictionaries

Any four of the above attracts 2 marks each **8 marks**

SECTION C

5. a. What is a Computer network? 4 marks
b. Why is necessary to network computers? 4 marks
c. What are internet protocols? 4 marks
d. What does a bandwidth do? 4 marks
e. What is the function of a server in a computer network? 4 marks

OR

6. Advance five points to support the assertion that. the popularity of the Internet has contributed largely to the development of modern society 20 marks

SEPTEMBER 6. 2019 INFORMATION LITERACY. 2:00 PM – 3:30 PM

SECTION A

ANSWER ONE (1) QUESTION FROM EACH SECTION

1.	a.	What is a Public Library?	2 marks
	b.	List five services provided by the Public Library.	10 marks
	c.	What kind of materials will you find in the Academic Library?	8 marks

OR

2.	a.	What is a Directory?	2 marks
	b	List the various types of Directories.	10 marks
	c	Indicate the uses of a Directory	8 marks

SECTION B

3.	a.	Why are Library materials organized?	6 marks
	b.	Identify two differences between the American Psychological Association and the Modern Language Association styles of Referencing.	8 marks
	c	What is the relevance of Copyright Law?	4 marks

OR

4.	a.	Outline three reason why information resources are catalogued?	6 marks
	b.	What is a Library Catalogue?	6 marks
	c.	Mention any four citation styles you know.	4 marks
	d.	Name two classification schemes used in libraries	2 marks
	e.	Name and explain two legal exceptions to the Copyright Law	2 marks

b). State any two (2) advantages the Online Public Access Catalogue has over the Card Catalogue.
(2marks)

c). Distinguish clearly between INFORMATION and KNOWLEDGE as terms in Information Literacy.
(4 Marks)

d). Provide any two (2) conditions under which the Exclusive Rights of Copyright Laws are not applicable.
(2 Marks)

e). What are the two (2) ways of citing within a text? Support your answer with relevant example for each of them.
(4 Marks)

SECTION C

5a. Searching the Internet for information for academic purposes can be an overwhelming task. Outline the basic steps you will use in performing an effective search. (6 Marks)

b. Briefly explain the following which have been identified as disadvantages of using the Internet.
(6 Marks)

i. Spamming
ii. Computer virus
iii. Identity theft/fraud

c. Explain the following:
(6 Marks)

i. Internet protocol
ii. Web browser
iii. Bandwidth

d. State any two (2) types of information available on the Internet.
(2 Marks)

OR

6a. Demonstrate with diagrams your understanding of the use of the following Boolean operators in advanced search:
(9 Marks)

i. OR
ii. AND
iii. NOT

b. Explain how the following criteria are used in evaluating information retrieved on the Internet. (6 Marks)

i. Reliability
ii. Authority
iii. Accuracy

c. Mention any three (3) types of databases.
(3 Marks)

d. State any two (2) uses of the Internet.
(2 Marks)

INFORMATION LITERACY SKILLS UNIT

END- OF –FIRST SEMESTER EXAMINATIONS 2017/2018 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

Date: Dec., 2017 **Duration: 1:15 HRS**

INSTRUCTION: ANSWER THREE (3) QUESTIONS; ONE FROM EACH SECTION

SECTION A

(1) a. Name the five (5) types of libraries. (5 Marks)

b. Discuss five (5) reasons why you would recommend one of the types of libraries to your friend in another University. (15 Marks)

OR

(2) a. State five (5) reference materials found in a Public Library. (5 Marks)

b. Give five (5) reasons why you would recommend a particular reference material to a friend. (15 marks)

SECTION B

3a). Using APA citation style, write a reference for the following bibliographic information: The title of the book is "Introduction to Educational Psychology", written by Arnold K. Nayak and Victor K. Rao, and published in 2004 by A. P.H. Publishing Corporation, in New Delhi. (8 marks).

b). "Cataloging is a process and a Catalogue is a product," explain this statement is in your words. (4 marks)

c). State any two (2) penalties for plagiarism. (2 marks)

d). Mention any three (3) access points to a record in a Catalogue. (3 marks)

e). State any three (3) marked difference in out-text referencing in American Psychological Association (APA) and Modern Languages Association (MLA) citation styles. (3 marks)

OR

4a). In the year 2015, University of Cape Coast Press published the seventh edition of Dr. Koffi Manu and Mrs. Abena Morrison's book entitled "The fishmonger's adventure at Duakor."

Using the APA citation style, write a reference for the above bibliographic information (8 marks)

3c. The relevance of the Copyright Law is to give creators of original works the exclusive rights to control the use of their work for a limited time.

OR to protect the artistic and literally works of authors or poets for a limited period **4 marks**

4. a. Reason why information resources are catalogued include;

i. To enable a user finds a book of which the author, title or the subject is known
ii. To enable a library to see what it has on a given author or subject
iii. To enable a user to find a book according to its character or edition

Each point attracts 2 marks each **6 marks**

4b. A Library Catalogue is a list of documents in a library with entries representing documents arranged in some systematic order **6 marks**

4c. Mention any four citation styles you know.

i. American Psychological Association
ii. Modern Language Association
iii. Harvard citation style
iv. American Anthropological Association
v. American Sociological Association
vi. Chicago citation style

Any four of the above attracts 1 mark each **4 marks**

4d. Two classification schemes used in libraries are

i. Library of Congress classification scheme

ii. Dewey decimal classification scheme

Each point attracts 1 mark each **2marks**

4e. Two legal exceptions to the Copyright Law are

i. Users/public have the right to fair use
ii. Authors may transfer their monopolistic rights to publishers for marketing purposes

Each point attracts 1 mark each 2 marks

SECTION C

5a. what is Computer Network - 4 MARKS

A computer network is a group of two or more computers connected to each other in order to communicate with one another, share their resources, data, and applications.

5b. why is it necessary to network computers - 4 MARKS

1. Communication
2. Sharing of resources, data, and applications
3. Cut back on costs
4. Boost storage capacity and volume
5. Optimize convenience and flexibility

(1 mark for each point)

5c. what is the Internet Protocols? - 4 MARKS

A set of rules governing the way data or information is sent and received over the Internet or other network without conflict. **3marks**

The standard communication protocol on the internet is the TCP/IP. **1 mark**

5d. what does bandwidth do? - 4 MARKS

Determines the speed and amount of data or information that is transferred from one point to another over a computer network or internet. **3 marks**

It is measured in bits per second (bps). **1 mark**

5e. what is the function of a server in a computer network? - 4 MARKS

Its function is to store, retrieve and send computer files and data to other computers on a network.

It is designed to process requests and deliver data to another computer over the internet or a local network.

6a. Advance **five** points to support the assertion that, the popularity of the internet has contributed largely of the development of modern society. **20 MARKS**

1. Communication
2. Information Dissemination
3. Education and Research
4. Entertainment
5. Online services
6. E-Commerce

6e Give three (3) each based on the following

i. OR
- State the specific function eg. OR is an operator that allows either words(search terms) to be present in each of the results / it is an operator used to expand your search (1 mark)
- Give example to explain (1 mark)
- Draw a diagram to illustrate (1 mark)

ii. AND
- State the specific function eg. AND is an operator that requires both words(search terms) to be present in each of the results / it is an operator used to narrow your search (1 mark)
- Give example to explain (1 mark)
- Draw a diagram to illustrate (1 mark)

iii. NOT
- State the specific function eg. NOT is an operator that requires the first word (search term) to be present in each of the results / it is an operator used to exclude the second word or search term (1 mark)
- Give example to explain (1 mark)
- Draw a diagram to illustrate (1 mark)

b. Give two (2) each based on the explanation of the point

i. Reliability – 2 marks
ii. Authority – 2 marks
iii. Accuracy – 2 marks

c. Give one mark each for any three (3) of the following
- Bibliographic database
- Full text database
- Image database
- Audio database
- Video database
- Numeric database
- Mixed database

David Asante AG/AGB/17/0033

d. Give one mark each for any two (2) of the following
- Communication
- Education and research
- Entertainment
- Online services
- Information dissemination
- Ecommerce

Dec. 2017

MARKING SCHEME

5 a. Give one(1) mark each for the following in the right order
- Define your information need
- Choose your search terms
- Decide the sources to use
- Find out how your search tool functions
- Run your search
- Review and refine your search

b. Give one 2 marks each based on the following
- Definition of the term – 1 mark
- Explanation/giving example – 1 mark

c. Give two(2) marks each based on the following
- Definition of the term – 1 mark
- Explanation– 1 mark

d. Give one mark each for any two(2) of the following
- Publications
- Web document
- Online book/Electronic book
- Online journal/Electronic journal
- Bibliographic database
- Reference resources
- Images
- Video
- Audio
- Maps
- People/business directory
- Blogs

4 a) Mention in full the two citation styles you have learnt and indicate the disciplines which is commonly used. (4 marks)

b) Briefly explain any two (2) of these Concepts (6marks)

i) Cataloguing

ii) Classification

iii) Plagiarism

c) Use the following bibliographic details to make a reference using the MLA citation style:

London, fifth edition. 2005, Albana Kinderland. How to get along with others Comprehensive guide, Adaex Educational Publications Ltd. (8marks)

d) Write out the subjects of these letters in the classification scheme: (2marks)

D – R -

S - T-

SECTION C

5 a) Define a web browser? (2 Marks)

b) The Internet is a large electronic network which has no centralized control. State and explain five (5) criteria an academic researcher may use to critically evaluate the resources obtained from the Internet. (10 Marks)

c) State four types of broadband connections to the Internet. (4 Marks)

d) Mention any two devices used to access the Internet. (2 Marks)

e) State any two Internet search tools. (2 marks)

6 a) Enumerate the six steps for effective searching on the Internet. (6 Marks)

b) Explain the term bandwidth. (4 Marks)

c) Name any two Boolean operators and explain how it works. (4 Marks)

d) Advance three (3) points for or against the use of the Internet for the development of society. (6 Marks)

END- OF - SECOND SEMESTER EXAMINATIONS 2016/2017 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

Date: May, 2017 **Duration: 1:30 HRS**

INSTRUCTIONS: **Answer three (3) questions**

One (1) question from each section

SECTION A

1 a) Give four (4) reasons why a student should study Information Literacy Skills. (4 Marks)
b) List four (4) activities or programmes provided by the library to enable users meet their information needs (8 Marks).
c) Write short notes on two (2) of the following
i) Interlibrary Lending and Document Delivery (ILL/DD) (4 Marks)
ii) Selective Dissemination of Information (SDI) (4 Marks)
iii) User Education

2 a) What are the two (2) main groups of Reference Materials in libraries? (4 Marks)
b) Give four (4) reasons why libraries should acquire Dictionaries. (8 Marks)
c) List four (4) examples of serial publications with distinctive titles and which appear at regular or irregular intervals (4 Marks)
d) Why are bibliographies needed in libraries? Give two (2) reasons. (4 Marks).

SECTION B

3 a) What is a Library Catalogue? Mention any three (3) forms and explain any one (6marks)
b) Give two (2) reasons why library materials are catalogued (4marks)
ii) What subject do the following letters represent in the library of Congress Classification Scheme? (2marks)

S -
P-
D -
Q -

c) In the year 2010, Dr David Kobbina edited a 3rd edition of the management of HIV AIDS, in Accra. The book was written by Madam Kate Ababio and Agnes Davis it was published by University of Ghana Press. Write a reference for the above book using the APA Citation style (8marks)

UNIVERSITY OF CAPE COAST
FACULTY OF ARTS

END- OF - SECOND SEMESTER EXAMINATIONS 2017/2018 ACADEMIC YEAR

MARKING SCHEME FOR LIBRARIES AND SOURCES OF INFORMATION

SECTION A

1.a. Name the forms of libraries (3 Marks)

Answer: Traditional, Digital and Hybrid libraries (Each point attracts 1 Mark)

b. Write on any two (2) of them (17 Marks)

Answer: Write up for each form (2marks)

At least three (3) advantages for each form (3 Marks)

At least three (3) disadvantages for each form (3 Marks)

Conclusion for each form (1/2 mark)

2. a. What makes a student information literate? (10 Marks)

Answer: Be able to recognize, locate, retrieve, evaluate and make legal and ethical use of information- 5 points required ***(mere mentioning of a point attracts 1 mark, explanation of each point attracts another 1 mark)***

b. What is an abstract? (2 Marks)

Answer: An abstract gives full bibliographic details and a summary of the material. (2 Marks)

c. Name two (2) types of abstracts (2 Marks)

Answer: Informative abstract and indicative abstract (1 Mark each)

d. Why would a student use an abstract? (6 Marks)

Answer: Uses of an abstract: 6 points are expected= each point attracts 1 marks

- **Abstracts can be used to select information resources**
- **They serve as aid for the reader to evaluate the content of the documents**
- **They are used to facilitate retrieval of information by reducing the time users spend in locating information.**
- **They are used for compilation and production of a bibliography**
- **They are tools used to identify articles in journals**
- **They are very important tools for researchers to know what materials have been published in their subject of interest**

d. State in full the two (2) most commonly used Citation Styles you have studied and indicate the disciplines that use them respect vely.(4 Marks) (1for the styles and 3marks for the discipline)

4 a. Dr Ewuresi Armah and her professor Avasi, wrote an article titled "The Incidence of Streetism in the Cape Coast metropolis". The article was published in the volume 25 edition of the "Journal of Management Studies" which was issued in the year 2015. The article is found on pages 57-88.

Use the MLA citation style to write a reference for the article. (10 Marks)

b. Identify the two (2) major Classification Schemes and indicate the type of Library that use them respectively. (4Marks)

c. State three (3) specific examples of plagiarism. (3Marks)

d. Why do Librarians take the pain to catalogue library materials? Give two (2) reasons. (3Marks)

SECTION C

5a. Searching on the Internet can sometimes be an overwhelming task. State the basic steps one can employ to effectively retrieve information from the Internet. (6 Marks)

b. State and explain three common usage of the Internet. (9 Marks)

c. State two differences between LAN and WAN. (2 Marks)

d. Briefly describe an academic database. (3 Marks)

6a. The Internet is a large electronic network which has no centralized control; state and explain three criteria you will use to evaluate any information taken from the Internet for academic purpose. (9 Marks)

b. State the standard communication protocols. (2 Marks)

c. Briefly explain the term bandwidth. (3 Marks)

d. List three types of databases. (3 Marks)

e. Mention three types of information available on the Internet. (3 Marks)

b. Write on any two (2) of them (17 Marks)

2. a. What makes a student Information Literate? (10 Marks)

b. What is an abstract? (2 Marks)

c. Name two (2) types of abstracts (2 Marks)

d. Why would a student use an abstract? (6 Marks)

SECTION B

3. a. Dr Ewuresi Armah and her professor Avasi, wrote an article titled "The Incidence of Streetism in the Cape Coast metropolis". The article was published in the volume 25 edition of the "Journal of Management Studies" which was issued in the year 2015. The article is found on pages 57-88.

Use the APA citation style to write a reference for the article. (10 Marks)

b. What is a library catalogue? (2 Marks)

c. Which criteria must a work satisfy in order to qualify for copyright protection? (4 Marks, 1 each)

6C. 1 Mark each for any four (4) of the following:

- Local Area Network (LAN)
- Wide Area Network (WAN)
- Campus Area Network (CAN)
- Metropolitan Area Network (MAN)
- Personal Area Network (PAN)

D. 1 Mark each for any three (3) of the following uses of the Internet:

- Communication
- Education and research
- Information dissemination
- Entertainment
- Online services
- E-commerce

1 Mark each for any three (3) of the following of misuses of the following

- Pornography
- Identity theft / Fraud
- Spamming
- Virus threats

ORGANISATION OF KNOWLEGDE

MARKING SCHEME

3. A What is a library catalogue (2 marks)

- It is a list of documents in a library, with entries representing the documents arranged in some systematic order

B. Mention any four (4) citation styles you have studied (4 marks)

1 mark each

- American Psychological Association (APA)
- Modern Languages Association (MLA)
- Chicago
- Harvard
- American Anthropological Association
- American Chemical Society
- American Medical Association
- American Political Science Association
- American Sociological Association etc

C. The University Publishing Enterprise published a book entitled "all shall pass" in year 2010 at Cape Coast. The book was written by Paul Graham and George Akuffo. With APA citation style write a reference for this source (8 marks)

Answer:

Graham, P. &Akuffo, G.(2010). *All shall pass*. Cape Coast: University Publishing Enterprise.

D .Reasons for cataloguing library materials (6 marks)

2 marks each

- To enable a library user find a book of which the author, the title or the subject is known

- To access
- To evaluate
- To use
- Ethical and legal issues

TOTAL = 2 Marks

2. A. Define a reference material? (2 marks)

ANSWER: Each answer = 1 mark

- A reference material contain facts that have been put together from many sources and organize for quick and easy use

OR

A document that contain information on any topic; being it an event or a person.

B. Mention three (3) characteristics of a reference material. (3 Marks)

ANSWER: Each answer = 1 mark

- Meant to be consulted in the library
- For reference only, not to be taken out, not to be borrowed.
- Not meant to be read from cover to cover
- They are housed in separate sections of the library
- They are revised from time to time
- Expensive

TOTAL = 3 Marks

C. Write short notes on three (3) reference materials. (12 marks)

ANSWER:

- Mere mention =1
- Explanation =1
- Uses =1
- Types/examples = 1

TOTAL = 4 Marks

GRAND TOTAL= 12 Marks

D. List three (3) importance of information literacy to a university student. (3 marks)

ANSWER: Each answer = 1 mark

- For everyday living
- For university education
- Workplace environment

OR

ANY RELATED IDEA

TOTAL = 3 Marks

INTERNET MARKING SCHEME

5A. 1 Mark each for any four (4) of the following:

- Digital subscriber line (DSL) modem connection
- Satellite modem connection
- Cable modem connection
- Wireless
- Mobile broadband

5B. 3 Marks each for any two (2) of the following:

- Broadband is faster than dial-up connection
- Broadband provides access to 24hr connectivity / Always available
- Broadband internet is not charged based on the connection duration
- It does not affect the phone line in the case DSL connections
- It can also provide cheap phone services via VoIP technology

5C. Definition of browser – 1 mark
Examples – 1 mark

5D. Stating the search tool – 1 mark
Example of stated search tool – 1 mark

- Search engines C9
- Metasearch engines
- Web directories/portal or subject gateway
- Database / Academic database

6A. Stating the criteria – 1 Mark
Explaining the stated criteria – 1 Mark
For any four (4) of the following:

- Reliability
- Authority
- Currency / Timeliness
- Accuracy / Completeness
- Relevancy
- Credibility

6B. Explanation of computer network - (2 Marks)

A computer network basically refers to a group of computers connected to each other, so they can share information and electronic equipment/resource. A computer network could be made up of two to over a million computers.

- To show what the library has by a given author, on a given subject and in a given kind of literature
- To assist library users in the choice of a book as to its edition or its character

4. Use the APA style to write a reference for the following information: A book titled " the geographical history of cape coast" 5th edition, published by the Hampton Press in Cape Coast in the year 2010 the book was written by James Kweku Ansah and Caroline Efua Nunoo (8 marks)

Answer

Ansah, J. K.& Nunoo, C. E. (2010). *The geographical history of Cape Coast* (5thed.). Cape Coast: Hampton Press. **(8 marks)**

B .Four forms of Library catalogue are: (4 marks)

1 mark each

- Book
- Card
- Microform
- Computer access catalogue/Oniline catalogue or OPAC

C. Two major classification schemes used in libraries (2 marks)

1 mark each

- Library of Congress classification scheme
- Dewey decimal classification scheme

D. Two Legal exceptions of the copyright law (6 marks)

3 marks each

- Fair use: for knowledge advancement
- Authors may transfer their rights to publishers for marketing purposes

MARKING SCHEME

DEC. 2018

SECTION A-LIBRARIES

1. A. Explain four (4) library services and indicate two (2) types of libraries that undertakes those services (12 marks)

ANSWER: mentioning and explanation of each service = 2

- Lending Service
- Reference Service
- Inter Library Loan and Document Delivery Service
- Reprographic Service
- Electronic Support Service
- User Education Service
- Selective Dissemination of Information (SDI)

Each type of library mentioned = ½

TOTAL =3

GRAND TOTAL =12 Marks

B. what is a traditional library? (2 MARKS)

ANSWER:

- Definition = 1
  It is a form of Library with its operations done manually without the aid of computer technology
  OR
  A form of library where almost all the library's resources are in print format
- Explanation = 1

TOTAL = 2 Marks

C. Write down four (4) advantages of a traditional library (4 marks)

ANSWER: Each advantage mentioned = 1

- Free and universal access to collection
- Can be used without electricity
- Documents can easily be photocopied
- No computer expertise is required on the part of the library user and staff

TOTAL = 4 Marks

D. List two (2 standards) of information literacy as defined by the Association of College and Research Libraries (ACRL) (2 MARKS)

ANSWER: Each ACRL standard = 1 Mark

- To know

4. A. Use the APA style to write a reference for the following information: A book titled "The Geographical History of Cape Coast" 5th edition, published by the Hampton Press in Cape Coast in the year 2010. The book was written by James Kweku Ansah and Caroline Efua Nunoo. (8 MARKS)

B. Mention four (4) forms of library catalogues (4 MARKS)

C. Mention any two (2) major classification schemes used in libraries. (2 MARKS)

D. State any two (2) legal exception of the Copyright Law. (6 MARKS)

SECTION C - INTERNET

5. A. Mention four (4) types of Broadband Internet connections. (4 MARKS)

B. Give two (2) reasons why the broadband connection is preferred to dial-up connections. (6 MARKS)

C. What is a browser? (2 MARKS)

D. List four (4) Internet search tools and give one example each. (8 MARKS)

6. A. In evaluating information from the internet, explain any four criteria that must be followed. (8 MARKS)

B. What is computer network? (2 MARKS)

C. Name four (3) types of computer networks. (4 MARKS)

D. List three (3) uses and three (3) misuses of the internet (6 MARKS)

UNIVERSITY OF CAPE COAST

COLLEGE OF HUMANITIES AND LEGAL STUDIES

FACULTY OF ARTS

INFORMATION LITERACY SKILLS UNIT

FIRST SEMESTER EXAMINATIONS 2018/2019 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

DATE: DECEMBER, 2018 **DURATION: 1:30MINS**

INSTRUCTIONS: Answer Three (3) Questions: One (1) from each section

SECTION A – LIBRARIES AND SOURCES OF INFORMATION

1. A. Explain four (4) library services and indicate two (2) types of libraries that undertake those services (12 MARKS)
   B. What is a Traditional Library? (2 MARKS)
   C. Write down four (4) advantages of a traditional library (4 MARKS
   D. List two (2) standards of information literacy as defined by the Association of College and Research Libraries (ACRL). (2 MARKS)

2. A. Define a reference material? (2 MARKS)
   B. Mention three (3) characteristics of a reference material. (3 MARKS)
   C. Write short notes on three (3) reference materials. (12 MARKS)
   D. List three (3) importance of information literacy to a university student. (3 MARKS)

SECTION B – ORGANIZATION OF KNOWLEDGE

3. A. What is a library catalogue? (2 MARKS)
   B. Mention any four (4) citation styles you have studied. (4 MARKS)
   C. The University Publishing Enterprise published a book titled "all shall pass in the year 2010 at Cape Coast. The book was written by Paul Graham and George Akuffo. With the use of APA citation style write a reference for this source. (8 MARKS)
   D. State three (3) reasons why library materials are organized? (6 MARKS)

QUESTION 6

a) **The Internet is now the most common medium for communication and information dissemination. Explain four (4) misuses of the internet. (8 marks)**

i. Pornography
ii. Identity theft/fraud
iii. Spamming
iv. Virus
v. Hacking
vi. Piracy
vii. Cyber Bullying

1 mark for each stated misuse and 1 mark for further explanation (2marks x 4 points = 8 marks)

b) **Broadband is a generic term for faster internet connections. Identify four (4) types of broadband internet connections. (4 marks).**

i. Digital Subscriber Line (DSL)
ii. Cable Modem connection
iii. Mobile broadband
iv. Wireless.
v. Satellite Modem connection

1 mark for each broadband internet connections stated (4 marks)

c) **Mention five (5) criteria you will employ in evaluating internet resources. (5marks)**

i. Reliability
ii. Authority
iii. Currency/timeliness
iv. Accuracy/ completeness
v. Relevancy
vi. Credibility

1 mark for criteria (5marks)

d) **Define academic database and give two (2) examples. (3marks)**

Is a searchable collection of academic information organized in such a way to facilitate easy retrieval and is commonly used for research and academic writing. **Definition (1marks)**

Examples include JSTOR, Sage Journals, Sage Research Methods, AGORA, GOALI, HeinOnline, Emerald, Ebsco, etc.

1 mark for each example stated (1mark x 2 examples = 2marks)

QUESTION 5

A. **The internet is populated with a lot of information. State and explain three criteria you will use to establish the genuineness or authenticity of the information taken from the internet. (8 marks)**

i. Reliability
ii. Authority
iii. currency/timeliness
iv. accuracy/ completeness
v. relevancy
vi. credibility

1 mark for criteria and 1 mark for explanation (8marks)

B. **Briefly describe a browser and give two examples. (4marks)**

Browser is software or application program that allows a user to access, navigate, and search World Wide Web. Browsers translate web pages and websites delivered using Hypertext Transfer Protocol (HTTP) into human-readable content. Some basic features of browser re Navigation buttons, Refresh button, Stop button, Home button, Web browser's address bar, Integrated search, Tabbed browsing and Bookmark buttons.

1 mark for definition and 1 mark for further explanation (2marks)

Examples include Internet Explorer from Microsoft, Firefox from Mozilla, Google Chrome, Safari, etc.

1 mark for each example stated (1mark x 2 examples = 2marks)

C. **Searching on the internet can sometimes be an overwhelming task. State the basic steps one can employ to effectively retrieve information from the internet in the right order. (6 marks)**

i. define your information need
ii. Choose your search terms
iii. decide the source/search tool use
iv. find out how the search tool function
v. run the search
vi. review and revise the search

½ mark for criteria ~~and ½ mark for explanation~~ (1mark x 6 steps = 6 marks)

d. **What is a bandwidth?**

Bandwidth' **describes the rate at which data can be transferred across a network.** An internet connection with a larger *bandwidth* can move a set amount of data (say, a video file) much faster than an internet connection with a lower *bandwidth*. *Bandwidth* is typically expressed in **bits per second**

1 mark for definition and 1 mark for further explanation (2marks)

Question 4

a. Amponsah, K[1]. &[1] Mensah, D.N[1]. (2012)[1]. *Econometrics: An introductory text* (2nd ed.)[1]. Accra: Saban Publishing Ltd[1]. **8 Marks**

b. i. To enable a library user find a book of which the author, title or subject is known

ii. To show what the library has by a given author, on a given subject or in a given kind of literature

iii. To assist library users in the choice of a book as to its edition or as to its character

(2 Marks each) **(6 Marks)**

c. i. The work must be original

ii. The work must be fixed in a definite medium of expression

iii. The creator must be citizen of Ghana

iv. The work must have been published first in Ghana before anywhere else

(2 Marks for any two) **(2 Marks)**

d. 1. Signal Phrase

Examples: Amponsah (2012)

Amponsah and Mensah (2012)

2. Parenthesis

Examples: (Amponsah, 2012).

(Amponsah & Mensah, 2012).

(1 Mark each for stating a form of citing in-text and one example) **(4 Marks)**

ORGANIZATION OF KNOWLEDGE MARKING SCHEME

Question 3

a. Yamoah, F. K[1]. &[1] Entsua, V[1]. (2017)[1]. Political party vigilantism: An emerging canker[1]. [1] *Journal of Political Science*[1], 5, 21-40[1]. **8 Marks**

b. Information is described as facts or data that have been collected, recorded, processed and stored in a retrievable form but knowledge on the other hand refers to the human inferences, interpretations, analysis, deductions and assimilations derived from processed information. *(2 Marks each)* **4 Marks**

c. i. The right to make copies
ii. The right to be credited for the work
iii. The right to determine who may adapt the work into other derivative forms
(1 Mark each) **3 Marks**

d. Avoiding plagiarism
i. Keep accurate notes when doing research
ii. Educate yourself on plagiarism policy
iii. Master the procedure for citing sources
iv. Learn to interprete or paraphrase without borrowing the structure of the language used in the original source *(3 Marks for any three)* **3 Marks**

Consequences of plagiarism
i. Probation
ii. Suspension
iii. Dismissal
iv. Attending a workshop
v. Writing a paper *(2 Marks for any two)* **2 Marks**

iv. User education

The library organizes user education for fresh students through library orientation including a guided tour of the library to enable users use the library effectively.

AND/OR

The introduction of compulsory information literacy course in some universities

2c. Explain any four (4) criteria for evaluating information sources **4 marks**

(1 mark each for explanation)

i. Authority and credibility of author, publisher, author experiences
ii. Scope and relevance in terms of intended audience, level of material, the appropriateness of the materials for it intended purposes.
iii. Coverage in terms of the time and period a material covers
iv. Biases and accuracy in terms of how the information is presented
v. Currency and timeliness
vi. Quality of work
vii. Context in terms of how the information has been discussed concerning the authors view and previously conducted research/ of what have been reported in the literature etc.

QUESTION 2

2a. What are the benefits of the Information Literacy Skills Course to a University graduate **10 Marks**

Answer

5

An explanation of a combination of these benefits

- Attractive job candidate
- Conduct better research.
- Improve information discovery skills.
- Improve evaluation of information skills.
- Learn about plagiarism prevention.
- Develop critical thinking skills through deeper learning.
- Develop good lifelong learning skills

OR REFER TO COURSE BOOK PAGE 7-9

2b. Write short notes on the following library services **6 marks 11/2 mark each**

i. Abstracting Services:

Is a service whereby library staff provide added value to the document being sought by users by providing full bolographic details and a summary of the document.

ii. Selective dissemination of information

It is a customized service in which library users are updated on new publications related to their field of study or research interest.

iii. Interlibrary loan/lending and document ILL/DD

The library staff on regular basis search through a mass of document from which those that are of interest to a particular user are selected.

b. Understand intellectual property, copyright, and fair use of information.

c. Cite sources using appropriate documentation style, without plagiarism or misrepresentation.

OR REFER TO COURSE BOOK PG. 5

1b. Write short notes on the two main groups of reference materials. **4 marks**

stating ½, explanation ½, eg ½

(1 mark for explanation and 1 mark for example)

Answers

Directional search tools: they direct or point the reader to other materials where information can be found. They do not contain the actual information eg: bibliographies, indexes and abstracts.

Sources type search tools: are reference materials that contain the actual information needed. eg: dictionaries, encyclopeadias, journals, textbooks and theasuri

---

1c. Explain four (4) reference materials and indicate their uses **(6marks)**

Answers

Dictionaries, encyclopedias, journals, textbooks and thesauri etc

(11/2 mark each for explanation and uses)

MARKING SCHEME FOR LIBRARIES FOR THE 2018/2019 ACADEMIC YEAR

QUESTION 1

1a. Using the five (5) standards by the ACRL (Association of College and Research Libraries) explain who an information literate person is **10marks**

(2 marks each for stating and explanation of the standards)

Answers

An Information Literate Person: Determines the nature and extent of information needed. Accesses the needed information effectively and efficiently. Evaluates information and its sources critically and incorporates selected information into his or her knowledge base and value system.

Determine the nature and extent of information needed.

a. Develop and refine research questions.
b. Identify key concepts and terms required to locate information.
c. Examine and assess potential resources specific to research purpose.

Access information effectively and efficiently.

a. Differentiate among keywords, subject headings, and other meta-data fields.
b. Differentiate between primary and secondary sources.
c. Implement a variety of information search strategies.
d. Use full array of library services to retrieve information.

Evaluate information and resources.

a. Determine accuracy of information by questioning source of data.
b. Analyze limitations of information gathering tools or strategies.
c. Investigate differing viewpoints in the information.

Integrate information ethically and legally.

a. Retrieve and manipulate information across contexts and in multiple formats.

c. "Copyright is a legal term that gives creators of original work, exclusive rights to control their work for a limited time". What are these exclusive rights? **(3 marks)**

d. "Plagiarism is an academic theft or fraud that puts one's academic integrity into disrepute". Outline three (3) ways of avoiding plagiarism and two (2) consequences of plagiarism. **(5marks)**

4.

a. Mr. Kwame Amponsah and Ms. Dora Naana Mensah published the Second edition of their book titled "Econometrics: An introductory text" in the year 2012 with the Accra based Saban Publishing Ltd.
Write an APA citation for the above publication **(8 marks)**

b. Outline three reasons why information resources are catalogued? **(6 marks)**

c. For a work to be granted copyright protection, it must meet a certain criteria. State any two (2) of such criteria. **(2 marks)**

d. With examples, demonstrate the two ways of citing sources in-text. **(4 marks)**

Section C: Internet

5

a. The Internet is populated with a lot of information. State and explain **four (4)** criteria you will use to establish the **genuineness or authenticity** of the information taken from the Internet. **(8 marks)**

b. Briefly describe a browser and give two examples. **(4 marks)**

c. Searching on the Internet can sometimes be an overwhelming task. State the basic steps one can employ to effectively retrieve information from the Internet in the right order. **(6 marks)**

d. What is bandwidth? **(2 marks)**

7

a. The Internet is now the most common medium for Communication and Information Dissemination. Explain **four (4)** misuses of the Internet. **(8 marks)**

b. Broadband is a generic term for faster Internet connections. Identify **four (4)** types of broadband Internet connections. **(4 marks).**

c. Mention **five (5)** criteria you will employ in evaluating Internet resources. **(5marks)**

d. Define an academic database and give **two (2)** examples. **(3marks)**

UNIVERSITY OF CAPE COAST
COLLEGE OF HUMANITIES & LEGAL STUDIES
FACULTY OF ARTS
INFORMATION LITERACY SKILLS UNIT

SECOND SEMESTER EXAMINATIONS 2018/2019 ACADEMIC YEAR
COURSE: INFORMATION LITERACY SKILLS (ILT 101)
DATE: MAY 2019 DURATION: 1:30MINS

Instructions: Answer Three (3) Questions; one (1) from each section

Section A: Libraries and Sources of Information

1.

a. Using the five (5) standards by the Association of College and Research Libraries (ACRL) explain who an information literate person is (10marks)

b. Write short notes on the two (2) main groups of reference materials. (4 marks)

c. Explain four (4) reference materials and indicate their uses. (6marks)

2.

a. What are the benefits of the Information Literacy Skills Course to a University graduate (10 Marks)

b. Write short notes on the following library services. (6 marks)
   i. Abstracting Services
   ii. Selective Dissemination of Information
   iii. Interlibrary loan and document delivery ILL/DD
   iv. User education

c. Explain any four (4) criteria for evaluating information sources. (4 marks)

Section B: Organization of Knowledge

3.

a. In the year 2017, Professor Francis Kwame Yamoah and Dr. Vida Entsua published an article entitled "Political Party Vigilantism: An emerging canker" in the fifth volume of the Journal of Political Science. The article spanned pages 21 to 40. Using the APA citation style, write a reference for the above publication. (8 marks)

b. Differentiate between the concept of Information and Knowledge as used in Information Literacy. (4 marks)

Marking Scheme

DEC. 2019

1 (a)What is an academic library? **(1 mark)**

Answer:

Definition of an academic library

Library established in higher institution of learning to serve the curricular needs of students, faculty and staff of the parent institution. (1 MARK)

1. b. Explain five (5) services of an academic library. **(10 marks)**

Answer:

(Refer to the course book pages 20-21)

Stating of library service (1 Mark) X 5

Explanation of library service (1 Mark) X 5

c. Write down four (4) advantages of a traditional library **(4marks)**

Answer:

i. **Stable collection**

ii. **Free and universal access to the collection**

iii. **Library can be used without electricity**

iv. **Document can easily be photocopied**

v. **No computer expertise is required. Any 4 of these for (4 Marks)**

d. State five (5) characteristics of a reference material **(5 marks)**

Answer:

i. **They not meant to be read from cover to cover**

ii. **They are revised from time to time to keep abreast with recent development**

iii. They are housed in a separate section of the library such as the reference section.
iv. They are expensive
v. They are meant to be consulted in the library (Mark 1 each)

2. (a) What is the primary function of a special library? (2 marks)

Answer: provide information need of research workers and other employees to carry out their company duties effectively. (2 Marks)

(b) Write down four (4) advantages of a digital library (4marks)

Answers:

i. They allow users to directly access and use the information they have found.
ii. Access to information is quicker.
iii. Information can be accessed anywhere internet is available and at any time.

Refer to the course book, pages 31-32 (1 Mark each)

(c) What are reference materials? (2 marks)

Answer: they are documents that contain facts that have been brought together from many sources and organized for quick and easy use OR

Documents that contain information on any topic be it an event or a person

(Any of these for 2 Marks)

(d) Write short notes on three (3) types of reference materials. (12 marks)

Answer:

i. Dictionaries
ii. Encyclopaedias
iii. Directories

iv. **Bibliographies**

v. **Biographies**

Refer to text book page 38 - 58

Mere mentioning of the types of reference materials (1 Mark) X 3

Definition of reference materials with examples (2 Marks) X 3

Stating at least one use of a type of reference material (1 Mark) X 3

SECTION B

3. (a) What is a library catalogue? **(2marks)**

Answer: List of documents in the library with the entries representing the document arranged in some systematic order. (2 Marks)

(b) Mention two (2) legal exceptions under the copyright law. **(2marks)**

Answer:

i. **users or public have rights in the form of fair use**

ii. **Authors and creators may transfer their monopolistic rights to publishers for marketing purposes. (1 Mark each)**

(c) What specific criterion should a work meet in order to be protected under copyright law of Ghana? **(6 marks)**

Answer:

i. **The work must be original**

ii. **The work must be fixed in a definite medium of expression**

iii. **The creator must a citizen of Ghana**

iv. **The work must have been published in Ghana before anywhere else. (2 Marks each for any 3 of these)**

d) Professor Samuel Dadzie and Dr. Nuhu Suleman wrote a book titled "Amefleflewo: The Concept of Slavery in Traditional Ewe Societies" edited

d) Professor Samuel Dadzie and Dr. Nuhu Suleman wrote a book titled "Amefleflewo: The Concept of Slavery in Traditional Ewe Societies" edited by Mr. Yao Dzifa Acolatse, published by Oguaa Press, Cape Coast in 2019. Write an **APA** reference list for this book.

Answer: Dadzie, S. & Suleman, N.[2] (2019).[1] *Amefleflewo: The concept of slavery in traditional Ewe societies*[2] (Y. D. Acolatse Ed.).[1] Cape Coast[1]:[1] Oguaa Press.[1]

Indentation (1 Mark)

4. (a) Mention three (3) 'Exclusive rights' under the copyright law **(3 marks)**

Answer:

i. **The right to make copies**
ii. **The right to be credited for the work**
iii. **The right to determine who may adapt the work to other derivative forms (1 Mark each)**

(b) A book tittle "Tomorrow's technology and you" written by George Beekman and Mary Quinn and published by Prentice Hall at New Jersey in the year 2018 and 8th edition. Write an **APA** reference list for this book. **(10 marks)**

Answer:

Beekman, G. & Quinn, M.[2] (2018).[1] *Tomorrow's technology and you*[1] (8th ed.).[1] New Jersey[1]:[1] Prentice Hall.[1]

Indentation (1 Mark)

c) What is an access point? **(3 marks)**

Answer: it a code, a term or the like through which an entry in a bibliographic record may be found. (2 Marks and an example 1 mark)

d) As a user of the Sam Jonah Library, state four (4) access points you would use to retrieve materials from the library.

Answer:

i. **Call mark**
ii. **Author**
iii. **Title**
iv. **Subject**
v. **Series**
vi. **International Standard Book Number (ISBN)**

Refer to the course book pages 70-71 (1 Mark each for any four) X 4

SECTION C

Q5

(a) Mention three (3) types of broadband Internet connections. **(3 marks)**

Answer:

- **Digital Subscriber Line (DSL)**
- **Cable Modem.**
- **Satellite Modem.**
- **Wireless**
- **Mobile Broadband** **(1 Mark each) X 3**
-

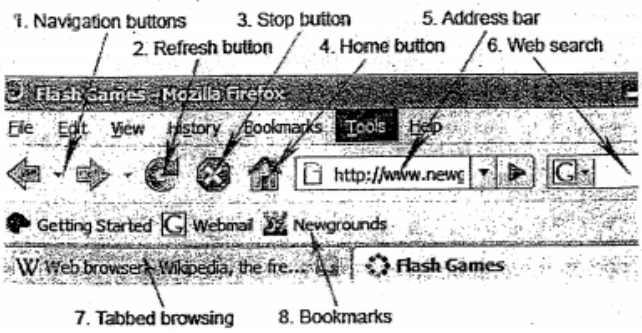

(b) Briefly describe a browser and give two examples. **(5 marks)**

Answer:

Definition (1mark)

Software application that lets you surf, navigate or visit web pages on the Internet.

~~Features~~ **(1 mark)**

Uses (1 mark)

- Used for loading and viewing websites or webpages
- Used for viewing local files on a computer.
- Used for communication eg. electronic mail and video chat (e.g. Google Chat)
- Used for listening to songs, watch movies or past television episodes, and stream radio live.
- Retrieval of information

Examples (1 Mark each) X 2

2 mks

Google Chrome, Mozilla Firefox, Internet Explorer, Opera Mini, etc

(6 Explain with diagram the functionality of the three (3) basic Boolean operators **(AND, OR, NOT)** that can be used when searching for information on the Internet **(12 marks)**

Answer:

Explanation -2 marks x 3

Diagram – 2marks x 3

AND
Using AND, this search would only retrieve results with Peanut Butter and Jelly.

OR
Using OR, this search would retrieve results with peanut butter, with jelly, and with both.

NOT
Using NOT, this search would retrieve results with peanut butter, and exclude those with jelly or PB with jelly.

Q6

(a) State the basic steps to employ in effective retrieval of information from the Internet in the right order. **(6 marks)**

Answer:

1. Define your information need
2. Choose you search terms
3. Decide on the search tool to use
4. Find out how the search tool function
5. Run your search
6. Review and revise you search

1 mark for each correct step

(b) The Internet has a lot of doubtful information. Explain five (5) criterions you will use to evaluate the quality of the information you retrieve from the Internet. **(10 marks)**

Answer:

1. Authority
2. Credibility
3. Reliability
4. Relevance
5. Currency/timeliness

6. Accuracy/completeness

Stating criteria – 1 mark, Explanation - 1 mark (2marks X 5points)

(c) Name four types of computer networks **(4marks)**

Answer:

- Local Area Network (LAN)
- Wireless Local Area Network (WLAN)
- Campus Area Network (CAN)
- Metropolitan Area Network (MAN)
- Wide Area Network (WAN)

1mark for each point

END- OF - FIRST SEMESTER EXAMINATIONS 2019/2020 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

Date: December, 2019 Duration: 1:30 HRS

INSTRUCTIONS: *Answer three (3) questions in all, one (1) question from each section*

SECTION A

1 (a) What is an academic library? **(1 mark)**
(b) Explain five (5) services of an academic library. **(10 marks)**
(c) Write down four (4) advantages of a traditional library? **(4marks)**
(d) State five (5) characteristics of a reference material? **(5 marks)**

2 (a) What is the primary function of a special library? **(2 marks)**
(b) Write down four (4) advantages of a digital library? **(4marks)**
(c) What are reference materials? **(2 marks)**
(d) Write short notes on three (3)types of reference materials. **(12 marks)**
Examples

SECTION B

3. (a) What is a library catalogue? **(2marks)**
(b) Mention two (2) legal exceptions under the copyright law? **(2marks)**
(c) What specific criteria should a work meet in order to be protected under copyright law of Ghana? **(6 marks)**
(d) Professor Samuel Dadzie and Dr. Nuhu Sulaman wrote a book titled "Amefiefiewo: The Concept of Slavery in Traditional Ewe Societies" edited by Mr. Yao Dzifa Acolatse, published by Oguaa Press, Cape Coast in 2019. Write an APA reference list for this book. (10marks)

4. (a) Mention three (3) 'Exclusive rights' under the copyright law. **(3 marks)**

   (b) A book tittle "Tomorrow's technology and you" written by George Beekman and Mary Quinn and published by Prentice Hall at New Jersey in the year 2018 and 8th edition. Write an **APA** reference list for this book. **(10 marks)**

   (c) What is an access point? **(3 marks)**

   (d) As a user of the Sam Jonah Library, state four (4) access points you would use to retrieve materials from the library. **(4marks)**

SECTION C

5. (a)Mention three (3) types of broadband Internet connections. **(3 marks)**

   (b) Briefly describe a browser and give two examples. **(5 marks)**

   (c) Explain with diagram the functionality of the three (3) basic Boolean operators (**AND, OR, NOT**) that can be used when searching for information on the Internet. **(12 marks)**

6. (a) State the basic steps to employ in effective retrieval of information from the Internet in the right order. **(6 marks)**

   (b) The Internet has a lot of doubtful information. Explain five (5) criterias you will use to evaluate the quality of the information you retrieve from the Internet. **(10 marks)**

   (c) Name four types of computer networks. **(4marks)**

MERRY CHRISTMAS!!!!!

c) Give three (3) specific examples of acts that constitute plagiarism (6marks)

4 a) Mention in full the two citation styles you have learnt and indicate the disciplines which is commonly used. (4 marks)

b) Briefly explain any two (2) of these Concepts (6marks)
i) Cataloguing
ii) Classification
iii) Plagiarism

c) Use the following bibliographic details to make a reference using the MLA citation style:

London, fifth edition. 2005, Albana Kinderland. How to get along with others Comprehensive guide, Adaex Educational Publications Ltd. (8marks)

d) Write out the subjects of these letters in the classification scheme: (2marks)

D – R -
S - T -

SECTION C

5) a. Explain what the Internet is. (3 Marks)

b. Retrieving the right kind of information from the World Wide Web require effective searching skills. State and explain the steps you will adopt in performing an effective search. (12marks)

c. When research is conducted on the Internet for academic or research purposes, it is important to always evaluate the information taken from the Internet. State three criteria you will use to critically evaluate the information. (3marks)

d. Mention any two Boolean operators. (2 Marks)

6) a. Write short notes on the following

i. Internet protocol (2 Marks)
ii. Bandwidth (3 Marks)
iii. Web browsers (6 Marks)

b. Define an academic database and give one example. (2 Marks)
c. Mention five (5) types of information available on the Internet. (5) Marks)
d. Mention two (2) reasons why one must perform an effective search on the Internet. (2 Marks)

TOTAL: 20 MARKS

4. Identification of reference sources-1 MARK

Three (3) examples of reference sources -1 MARK for each example

i. Dictionary- Examples: General dictionary, subject dictionary, specialized dictionary etc.
ii. Encyclopeadia- Examples: Subject encyclopeadias, Encyclopeadia for different age groups, General encyclopeadia, Encyclopeadia yearbooks and supplements
iii. Biography- Examples: Universal biographies. Regional biographies, Professional biographies
iv. Maps and Atlases- Examples: Regional atlases, Road atlases, General reference atlas, Thematic atlases
v. Index- Subject index, General index, Newspaper index, Back of Book index, Journal index.

TOTAL=20 MARKS

UNIT 3

5 A.

i. Copying a text from the internet, book or an article without citing the source.
ii. Rewriting a text in your own words without stating the source.
iii. Paying for an essay and presenting it as your own.
iv. Handing in another student's work under your own name.
v. Copying statistics, maps, tables or charts without stating your source.

~~(1 mark for stating and 1 mark for explanation for any three)~~ **(6 marks)**

B. i. Probation

ii. Suspension

iii. Dismissal

iv. Zero grade/score

(4 Marks)

C. Asamoah-Assan, M.[1] &[1] Baiden, W.[1] (2020).[1] *Introduction to cataloguing and classification*[2] (6th Ed.).[1] New York:[1] Prentice Hall[1] **(10 Marks)**

6 A.

Dentch, K.[1] &[1] Darko-Agyeman, L.[1] (Eds.)[1]. (2020).[1] *Covering the economic and social cost of the COVID-19 global pandemic*.[2] Accra:[1] Harcourt Publications.[1] **(10 Marks)**

B

i. The arrangement of books on the shelves or description of them, in a manner which is most useful to those who read.

OR

The arrangement of things according to likeness and unlikeness

OR

It is the sorting and grouping of things in the library. **(definition and any other relevant information for 3 marks)**

ii. Plagiarism is claiming or implying original authorship of (or incorporating materials) from someone else's written or creative work, in whole or in part into one's own.

OR

It is the practice of taking someone else's work, idea, invention, etc. and passing it off as one's own

(definition, examples and any other relevant information for 3 marks)

iii. It is a term, code, or the like through which an entry in a bibliographic record can be found.

OR

They are the doorways or windows that can be used to trace a material in a catalogue or database **(definition and examples for 3 marks)**

(6 marks)

C. Card catalogue, Book Catalogue, Microform catalogue. Online/Computer Access catalogue.(**1x4 Marks)**

SECTION B

UNIT 1

QUESTION 1

A. Create, Creative, Creation, Creating, etc
1 mark x 4 points = 4marks

B. i. http://ghanahealthservice.gov **(2marks) any other 1 mark**

ii. Explanation of URL **(1 mark)**

Reasons for choice (Distinguishing between domain names) **3marks**

- .com – commercial site
- .gov – governmental site
- .biz – business entity

C
- Information Dissemination
- Communication
- Research
- Online services
- E commerce

1 mark for stating point (5marks)

1 mark for explanation (should relate to business entities) - 5marks

QUESTION 2

A. A collection of structured records **(1 mark)**, structured in a way to permit orderly retrieval **(1mark)**

B
- Bibliographic database
- Full Text database
- Numeric database
- Image database
- Video/Audio database
- Mixed database

1 mark x 5 points = 5marks

C
1. Define your information need
2. Choose your search terms
3. Decide on which sources to use

SECTION B

ANSWER THREE (3) QUESTIONS FROM THIS SECTION, ONE (1) QUESTION FROM EACH UNIT

Unit One

1. A. Veronica used a search engine which supports **truncation/wildcards.** In the search bar, she typed in **a stem word** with an asterisk as follows:

Creat*	Search

List **four keywords** that will likely contain this '**stem**' **(4 marks)**

B. In your search for documents to address an assignment on the "***Outbreak of cholera in Ghana***" you came across information from the following sources:

- https://ghanahealthservice.com
- https://ghanahealthservice.gov
- https://ghanahealthservice.biz

i. Which document source(s) will you use? **(2 marks)**
ii. Why will you use documents from this/these source(s) **(4marks)**

C. The organization you wish to do your internship this vacation is not connected to the internet. Explain to the manager, **five** benefits the organization stands to gain by connecting to the internet. **(10 marks)**

2A. What is a database? **(3marks)**

B. Name five (5) types of databases. **(5marks)**

C. Briefly outline the steps for effective Internet searching. **(12marks)**

Unit Two

3. A. What is a library? **(1mark)**

B. What type of library (ies) would you recommend to the following people? For each answer give two reasons.

i. A researcher conducting a study on kidnapping in Ghana **(3marks)**

ii. A fisherman who wants to research on current fishing trends. **(3marks)**

iii. JHS pupil from Duakor who is preparing for an inter community quiz competition. **(3marks)**

C. Explain five characteristics/qualities that will differentiate an information literate student from others. **(10marks)**

4. Identify the reference sources needed for the following, and state **3 types** each of these reference sources:

4

i. Finding the correct spelling and pronunciation of words. **(4 Marks)**

ii. Finding background information and authoritative facts on a variety of topics **(4 Marks)**

iii. Finding or locating information about famous people in a country or discipline **(4 Marks)**

iv. Locating places on the earth surface and determining the time zone of cities and countries **(4 Marks)**

v. Guide to the contents of a document or reading materials **(4 Marks)**

Unit Three

5. A. Explain three (3) examples of plagiarism. **(6 marks)**

   B. List four consequences of plagiarism. **(4 marks)**

   C. Use the APA citation style to write a reference for the following bibliographic information:

   The fourth edition of the book "Introduction to cataloguing and classification" was authored by Mary Asamoah- Assan and William Baiden in the year 2020 and published with Prentice Hall at New York. **(10 marks)**

6. A. In the year 2020, Professors Kwame Denteh and Leah Darko-Agyeman edited a book titled 'Counting the economic and social cost of the COVID-19 global pandemic' for the Accra based Harcourt Publications.

   Write an APA reference for the above publication **(10 Marks)**

   B. Write short notes on any 2 of the following:

   i. Classification

   ii. Plagiarism

   iii. Access points **(6 Marks)**

   C. Mention any four primary forms of library catalogues **(4 marks)**

FACULTY OF ARTS

INFORMATION LITERACY SKILLS UNIT

END- OF - SECOND SEMESTER EXAMINATIONS 2019/2020 ACADEMIC YEAR

COURSE: INFORMATION LITERACY SKILLS (ILT 101)

Date: 17th September, 2020 **Duration: 2:00 HRS**

INSTRUCTIONS: ***Answer All Questions in Section A and three (3) other questions in Section B, one (1) question from each Unit***

SECTION A

1. Most academic libraries have resources in both print and non- print format, this implies they are..... in nature.
   A. Traditional
   B. Digital
   C. Hybrid
   D. Traditional and digital

2. Selective Dissemination of Information, abstracting and indexing library services are peculiar to ..... Libraries.
   A. School
   B. National and Academic
   C. Special
   D. Public

3. Polyglot dictionary translates words or phrases from ..... language (s) to two languages
   A. One
   B. Two
   C. Three
   D. One or two

4. Sam Jonah Library is a hybrid library
   A. True
   B. False

5. Which of the following best describes "information literacy"?
   A. The ability to find reliable information
   B. The ability to read
   C. The ability to use a computer
   D. The ability to use information technology

6. To find what books a library has, you use a/an.....
   A. Bibliography
   B. Index
   C. Library catalogue
   D. Abstract

7. The library catalogue provides call numbers for.....
   A. Books
   B. Journal articles
   C. Pamphlets
   D. All of the above

8. Which of the following is NOT part of an out-text citation?
   A. Call number
   B. Year of publication
   C. Title
   D. Place of publication

9. An abstract is.....
   A. The full text of an article

1

B. Information about where the article can be found

C. A summary of an article

D. Information about the author of the article.

10. Plagiarism is.....

A. Including other people's ideas in your paper

B. Using someone's ideas in your paper without citing (acknowledging) the source

C. Directly quoting a source instead of using your own words

D. Paraphrasing someone's idea

11. Which of the following is **NOT** true of reference materials in a library

A. It includes encyclopedias and dictionaries

B. It includes resources for background information

C. It includes books that can be checked out

D. It is a group or collection of information and facts

12. Which of these Boolean searches would return fewer results?

A. Teenage AND pregnancy

B. Teenage OR pregnancy

C. Teenage NOT pregnancy

D. None of the above

13. Which of the following is **NOT** a criterion for evaluating Information on the Internet?

A. Authority
B. Accessibility
C. Currency
D. Credibility

14. The network that will be suitable for Cape Coast and its environs is the

A. LAN
B. CAN
C. WAN
D. MAN

15. Which of the following search tools permits users to enter search queries once and access several search engines simultaneously?

A. Search Engine
B. Browser
C. Meta Search Engine
D. Multi Subject Directory

16. The Internet is centrally controlled by.....

A. National Communication Authority

B. Central Intelligence Agency

C. World Telecommunication Authority

D. None of the above

17. Google Chrome is a.....

A. Word data android

B. Bandwidth brave
C. Dial-up connection android
D. Browser

18. The first web page of a website is called .....

A. Housepage

B. Homepage
C. Internet
D. Ideal home

19. The bigger the bandwidth size, the ..... the volume of information that could be transmitted at a time.

A. Greater

B. Normal
C. Better
D. Slower

20. www.youtube.com is an address for a/an ..... database.

A. Full text

B. Reference
C. Video
D. Image

21. A dictionary that deals with certain aspects of words such as slangs, abbreviations, synonyms, antonyms and usage is called .....

A. Specialized dictionary
B. Special dictionary
C. Customized dictionary
D. Etymology

22. ..... shows the principal areas covered by a document and the way the topic has been treated.

A. Informative abstract
B. Critical abstract
C. An abstract
D. Indicative abstract

23. ..... are the results of a search query from a search engine.

A. Information
B. Knowledge
C. Miss
D. Hits

24. 'Fair use' is the norm for determining the legality of .....

A. Producing the second edition of a book
B. Photocopying an entire book for academic purposes
C. Making available a book to another library on inter-library loan
D. Prescribing a book as a text book.

25. The ..... Protocol serves as an addressing system on the internet.

A. Transmission Control
B. Internet
C. File Transfer
D. Hypertext Transfer

26. In in-text citation, the ampersand sign is used when one is referencing an information resource authored by two or more people under the ..... method.

A. Legal Citation
B. Signal Phrase
C. Turabian
D. Parenthesis

27. In the Library of Congress Classification Scheme, the letters **Q** and **L** represents..... and ..... respectively.

A. Political Science and Naval Science
B. Social Science and Law
C. Science and Education
D. Law and Fine Art

28. The remix version of an already copyrighted song is also granted copyright differently

A. True
B. False

FIRST YEAR, FIRST SEMESTER QUIZ II, SEPTEMBER 2019

SEPTEMBER 1, 2019 **INFORMATION LITERACY** **10:30 AM – 11:00 AM**

Answer all the questions (20 marks)

For items 1- 15, each stem is followed by four options lettered A to D. Read each item carefully and circle the letter that corresponds to the correct or the best option.

1. The Unit of measurement of bandwidth is.....
   - A. kilo per second.
   - B. bits per second.
   - C. hertz per second.
   - D. bytes per second.

2. The internet is centrally controlled by a regulatory body which includes.....
   - A. national Communication Authority.
   - B. central Intelligence Agency.
   - C. world Telecommunications Authority.
   - D. none of the above.

3. In order to evaluate internet resources one does not need.....
   - A. authority.
   - B. reliability.
   - C. applicability.
   - D. timeliness.

4. What does the acronym "MARC" mean?
   - A. Machine Accessible Reader Catalogue.
   - B. Machine Automated Reading Catalogue.
   - C. Machine Accessible Reading Catalogue.
   - D. Machine Readable Catalogue.

5. The following are examples of broadband internet connections except.....
   - A. ixquick.
   - B. google.
   - C. meta-crawler.
   - D. web-crawler.

6. ..... .is a program/software that enable users navigate or surf the internet.
   A. Search Engine
   B. Web Directories
   C. Browser
   D. Google

7. An information retrieval system designed to help find information stored on a computer system is called.....
   A. meta search engine.
   B. search engine.
   C. database.
   D. web portal.

8. The following are examples of broadband internet connection **except**.....
   A. cable connection.
   B. satellite connection.
   C. dial-up connection.
   D. wireless connection.

9. The sending of unsolicited and unwanted bulk messages is referred to as.....
   A. phishing.
   B. surfing.
   C. spamming.
   D. browsing.

10. .....catalogue requires a reading device in order to be accessible.
   A. Card
   B. Online
   C. Microform
   D. Book

11. The Internet is a worldwide network of .....
   A. computers.
   B. computer networks.
   C. communications networks.
   D. communication devices.

12. How would you classify Pinakes and Intute?
   A. Subject gateways.
   B. Academic database.
   C Search Engines.
   D Meta-search engines.

13. At what step in effective search will one decide the search tools to use?
   A. 1
   B. 2
   C. 3
   D. 4

14. www.flickr.com is a ..... database.
   A. image
   B. audio
   C. full-text
   D. numeric

15. A bibliographic database covers almost all academic disciplines.
   A. True
   B. False

Fill in the blank spaces.

16. Name two types of Broadband connections.
   i. Digital Subscriber line Modem Connection
   ii. Satellite Modem Connection iii. Wireless iv. Mobile
   v. Cable modem connection.

17. What is the purpose of a bandwidth?
   Is to help determine the speed and amount of data or information that is transfered from one place to another on the internet.

18. Which Boolean operator will one use in expanding the search result?
   OR
